  - Letters will be available for programs before end of January.
  - If government funds for QE11s are reduced it will be a minimal change.
- **FGS Operating Standard** was endorsed in November 2018, so programs were asked to submit their policies as soon as possible.

**5.0 Reports from the FGS Assistant/Associate Deans**

**5.1 Suzanne Curtin, Associate Dean (Student)**

- Dual registrations are not permissible. Students cannot be registered at the University of Calgary and at another university simultaneously. At admission time, students must provide proof of having completed their degrees elsewhere.
- **New GradTips Program** is underway this semester with MEng students only. If a student’s grades are not acceptable, the student is placed on Academic Probation. This program is intended to identify and support students who are struggling early in their program and provide supports to help them be successful. For students who are not MEng, programs are asked to contact the FGS Student Team and they will try to assist.

**5.2 Donna-Marie McCafferty, Associate Dean (Scholarships)**

D. McCafferty provided an update on the various scholarship competitions underway. A highlight was that University of Calgary won the majority of Alberta Innovates Awards.

The Chair commended the Scholarships Team for their success in developing the on-line award application while continuing to run all award competitions.
